

Jean Daniel Badette

Treasurer

Jean Daniel Badette is a chartered professional accountant and has been working in the field of accounting and auditing for more than fifteen years in private companies and organizations as well as in public administration.

In recent years, he has worked as a professional accountant with the accounting firm Colas et Associés, as a tax auditor with Revenu Québec and as a business portfolio manager with Statistics Canada. Jean Daniel Badette is currently Chief, Business Portfolio Managers Unit at Statistics Canada.

His main responsibilities include profiling and collecting data on the largest Canadian companies, as well as managing relationships with Statistics Canada's various internal and external stakeholders. Mr. Badette is the founder and president of COGEFIX, a professional accounting service and Chrétiens Bâisseurs (CB) Inc, a property management company.

Mr. Badette holds a bachelor's degree in professional accounting from the Université du Québec à Montréal and is a member of the Ordre des CPA du Québec. He also holds a certificate in project management from McGill University.
